

Source & Age Verification (SAV)

Source Requirements

- ✓ Only calves born on your ranch are eligible
- ✓ Outside cattle must be physically identified differently from home-raised cattle by:
 - Different ear tags (numbers must be recorded)
 - Different brands
 - Different pastures/pens
 - Different breed of cattle
- ✓ Calves must be tagged prior to leaving the ranch of origin to be eligible for China EVP

Age Requirements

- ✓ Birth records showing the first-born calf must be recorded (individual or group is acceptable)
- ✓ Birth records must be kept for 3 years
- ✓ To be eligible, calving records must be recorded at the time of birth
- ✓ Acceptable calving record examples:
 - Calving book
 - Calendar
 - Diary
 - Computer records
 - Notebooks
 - Phone records
 - Any other original record where the birth date was recorded
