

**Receiving Inspection Procedure & Checklist For PVP Enrolled NHTC /
SAMSON VERIFIED NATURAL Cattle At Auction Markets (MCDL 101015)**

1. Obtain Shipping Affidavit and Manifest from the ranch supplier.
2. Unload trucks. Check cattle for missing Program Compliant Tags. If PCT is missing, segregate the animal from remaining cattle and sell separately.
3. After receiving inspection is performed, maintain segregation from non-program cattle.
4. Turn in the Shipping Affidavit and this Receiving Inspection to the Auction Market office.
